Industry Kitchen, the **South Street Seaport's** newest **waterfront** restaurant and bar is happy to be hosting its 4th of July Celebration and Independence Day Party. Right by the water's edge, this gem has both indoor and outdoor seating, and unobstructed views of the East River with the Brooklyn and Williamsburg Bridges and the Brooklyn skyline. What better place to watch the fireworks? Enjoy its New-American cuisine with a buffet which includes items like: basil pesto grilled summer vegetables; baby back ribs made with Jack Daniels BBQ sauce; guajillo-marinated skirt steak with chimichurri; and beer can-roasted chicken with lemon sauce.
