

Extravagant Golden Pizzas

The 24K Gold Pizza Has Fancy Toppings Including Caviar and Foie Gras

This 24K gold pizza will cost you a mere \$2000 to enjoy. Available at Industry Kitchen in New York City, the luxurious menu item requires 48 hours notice before ordering due to its lavish ingredients.

Topped with white Stilton cheese, foie gras, French truffles, Ossetra caviar and 24 karat gold leaf, the pizza is also garnished with edible flowers. The decadent dish has a crust made out of black squid ink dough as well, further enhancing the black and gold color aesthetic.

Featured on Insider, the 24K pizza is remarkable not only because of its opulent nature for a meal that is often considered fast food, but also in the extremely high quality of its ingredients.
