

## 7 Ways Lox Is Going Luxe At The Hippest Restaurants

Lox on a bagel with a schmear? So last century. Smoked salmon isn't just for brunch anymore, and it's surfacing in some very fishy experiments at hip eateries. As the nouveau-deli craze continues, we're finding lox paired with pizza, fries and — yes — even ice cream:

### Smoked salmon pizza at Industry Kitchen (Manhattan)

You won't find this at Domino's — or even at the kosher pizza joints fighting it out in Brooklyn: This pie's smothered in nova smoked salmon, cream cheese, crème fraîche, red onion, dill and crispy capers. [industry-kitchen.com](http://industry-kitchen.com)
