Stop Everything!!!!!!! The Unicorn Pizza Is Here Now

IndustryKitchenofNYCbringsusthisUNICORNPIZZA. Because the Food World (yes, that is a place and I want to live there) will not rest until everything that can be unicorn-ized is unicorn-ized. Much like the Product World that will not stop until everything that can be Star Wars-ized is Star Wars-ized. The Unicorn Pizza aka Pop Candy Land Pizza uses a giant sugar cookie as the dough, cream cheese frosting instead of sauce, and topped with Pop Rocks, sprinkles, and cotton candy. Wow! Just reading that caused me to slip into a sugar coma. Send help! it.
