Unicorn Pizza

The restaurant Industry Kitchen NYC already makes the world's most expensive pizza. Now they've introduced a new menu item called Pop Candy Land Pizza, although people are calling it "unicorn pizza." You can see that it's colorful, but you'll be glad to hear that it does not try to combine classic pizza flavors with candy. This pizza is a large rainbow sugar cookie topped with cream cheese frosting, sprinkles, Pop Rocks, and cotton candy. My teeth hurt just thinking about
