

The restaurant **Industry Kitchen**, located in New York's South Street Seaport neighborhood, has rolled out a fluorescent pizza for summer. The "Pop Candy Land Pizza," which the restaurant says is "unicorn-inspired," has a rainbow sugar-cookie crust and is topped with cream cheese frosting, Pop Rocks, cotton candy and sprinkles.

jyolk_alwayscravecute Wow...blast of beautiful colours 🌈💜💙💚

crowburgerkitchen Cool!

bluecollarprep @this.kid.nate

hungrychic Okkkkk need to try this

alexandra_napoli The colours in this pic are so vibrant - great work!
