

The Pop Candy Land Pizza From Industry Kitchen is Topped with Confections

The unicorn food trend continues with the Pop Candy Land Pizza from Industry Kitchen is a unicorn pizza that provides a far sweeter experience than one would expect to have from a slice of the quintessential dish. The pizza consists of rainbow dough that has been topped with chromatic vanilla icing, Pop Rocks and tons of sprinkles. A portion of cotton candy finishes the unicorn pizza off in order to add a fluffy, airy touch that reminds one of clouds and, of course, the mythical horned creature.

The Pop Candy Land Pizza from Industry Kitchen is a chromatic dessert that is likely to entice those with a sweet tooth and be dish that will surely satisfy.
