Pop Candy Land Pizza

Prepare yourself for a massive sugar rush courtesy of the Pop Candy Land Pizza at [Industry Kitchen](#) in New York City. Start with a rainbow-colored pizza crust, then top with cream cheese frosting, Pop Rocks candy and a mound of colorful cotton candy right in the middle. Known for its unique selection of pizzas, Industry Kitchen also boasts pizzas topped with alligator, apricots, smoked salmon and even 24K gold leaves (the 24K pizza is priced at \$2,000).
